

USER MANUAL

For the website <u>www.sailtenders.co.in</u>

Version 052024.03

1. SAIL tender website

The "SAIL Tender Website" displays information pertaining to Tenders & EOIs issued by SAIL plants and related information.

The scope of the website is to allow intended users to view and download complete Tender & EOI documents and facilitate in enlistment of MSME and Indigenous vendors.

List of tenders and EOIs can be viewed by all website visitors. However, in order to download the complete Tender documents or EOIs, registration to the website is mandatory. Details of Vendor registrations and SAIL User registrations are mention in the subsequent sections of this manual.

A new user can generate a User ID and Password by completing a one-time & simple website registration process.

2. Key Features

- Display of latest tenders, EOI & corrigenda.
- Search enabled both general & category wise i.e., a short list of tenders for specific requirement.
- Circulars and Notifications for suppliers and customers.
- Online forms for Vendor registrations as per specified guidelines.
- Enlistment as MSME Vendors.
- Enlistment for Indigenous vendors in line with Global to Local initiative of GOI. (A step toward **Atmanirbharta**).
- Full text search option available to search particular tender using keywords.
- Tenders issued today search enabled in home screen to view tenders issued on current date.
- Tender Closing in Next 3 Days search enabled in home screen to view tenders closing in next 3 days.
- Dashboards with multiple parameter analysis.

Vendor registration form is to be filled, OTP can be received by SMS or by email.

- Fill up all the mandatory fields marked with(*) in the Online Registration Form.
- Click on Submit button
- System will display the following message -"You have successfully completed your registration process on e-Tender Platform. Your User ID is ****."
- An email confirmation shall also be sent to the email id provided.

5. Vendor and SAIL User Login

- Click on the "Login" button and select "Vendor" or "SAIL User" option
- Key in your "User ID" and "Password"
- For SAIL Users digital certificate and the PKI component needs to be used.
- The PKI component can be obtained from the "Download" under the "Help" menu.

, Mozambique Inviting EOI for appointment of MDO for development of Zambeze Coal Project, Mozambique LTE in SRM at Rourkela Steel Plant w.e.f 01.04.2

7. Information

"Information" tab hosts the various links to the various sections of the website detailed below

- Procurement Projections
- SAIL Banned Parties
- E Procurement
- Notices / Circulars
- Standard Documents
- Enlistment of MSME
- Vendor Registration
- Indigenisation A Step towards Atmanirbharta
- Post Contract Details

- VENDOR REGISTRATION

In line with the Atmanirbhar initiative of Government of India and to give thrust to 'Make in India' program of GOI, SAIL intends to explore the possibility of development of indigenous vendors for items procured through Global Tenders at SAIL Plants/Units. List of such items (Shop wise and Plant/Unit wise) is hosted on the website. Interested indigenous vendors are requested to go through the lists and provide their details along with items they intend to supply to SAIL Plants/Units in the Indigenisation Enlistment form, hosted on the website to the concerned SAIL Plant/Unit. This information is solely for the purpose of exploring the possibility of enhancing Indigenous Vendor base, wherever required and should not be considered as a purchase inquiry. For any further queries about these items, suppliers are requested to contact respective SAIL Plants/Units.
