### 1.0 Introduction

Welcome to the SAIL Grievance Portal User Manual. This guide will help the registered vendors navigate the platform and effectively submit and track their grievances with the Steel Authority of India Limited (SAIL).

The SAIL Grievance Portal is a streamlined, user-friendly platform designed to ensure that all concerns from vendors are addressed quickly and efficiently. Through this portal, vendors can easily submit grievances, track their status, and communicate for resolution.

#### 1.1 Key Features

The following are the key features of SAIL Grievance Portal:

- **Easy Registration:** Create an account to access the portal and submit grievances.
- **Grievance Submission:** File your grievance with relevant details for a quicker resolution.
- **Real-Time Tracking:** Monitor the status of your grievance and stay informed about updates.
- **Timely Resolution:** The dedicated Nodal Officer and Appellate is committed to promptly resolving your concerns.

This manual will guide users through each step of the process, ensuring users can make the most of the SAIL Grievance Portal. If you encounter any issues or need further assistance, feel free to reach out to our support team for help.

### 2.0 Overview

The SAIL Grievance Portal is designed to provide an online platform for vendors to file grievances, track their status, and get resolutions. There are three main types of users:

- **Vendor**
- **Nodal Officer**
- **Appellate Authority**

Each user has a specific role and permissions within the system.

### 3.3 Appellate

The Appellate Authority is responsible for handling grievances that could not be resolved by the Nodal Officer.

#### 3.3.1 Role Responsibilities:

- Review escalated grievances.
- Provide a final decision on unresolved grievances.
- Ensure fairness and transparency in the grievance resolution process.

#### 3.3.2 Process Flow:

1. **Login** to the portal.
2. Click on "**Total Appealed**" to view grievances that need attention.
3. Review the grievance, including the history and action taken by the Nodal Officer.
4. **Make a decision** on the grievance (e.g., Pending, In-Process, Closed).
5. Communicate the decision to the Nodal Officer and Vendor with updating details in the Comment section while updating the status of the grievance.

## 4.0 Common Features

Regardless of the role, all users can access these common features:

- **Grievance Dashboard:** A summary of grievances filed, under Pending, In-Process or Closed state.
- **Search & Filter:** Users can search grievances by Reference No. or Date range.
- **Help & Support:** Contact information for technical support or customer service.
- **Export to CSV feature:** The **Export to CSV** feature in the SAIL Grievance Portal allows users to download a report of grievances based on their specific selection, filters, or grievance status. This feature provides a convenient way to save and analyze grievance data offline in a CSV format.

## SAIL GRIEVANCE

### 5.3 Appellate Dashboard

The screenshot shows the SAIL Grievance Portal Appellate Dashboard. At the top, there's a header with the SAIL logo, "SAIL Grievance Portal", "Dashboard", and a user greeting "Welcome, Deblina" with a "Logout" button. Below the header, there are four summary cards: "Total Pending: 2", "Total In-Process: 2", "Total Appealed: 32", and "Total Closed: 3". The main section is titled "Grievance List" and includes a "Reset" and "Export to CSV" link. Below this, there's a search bar with a dropdown for "5", a text input for "Enter Ref No.", and date pickers for "From Date" and "To Date". A "Search" button and a "Clear" button are also present. The table below has columns: SL No., Ref No., Plant / Unit, Type, Category, Status, Appealed / Escalated, Date, Resolution, and an "Action Button" dropdown. The table contains four rows of data, all with "Appealed" status and "YES" in the "Appealed / Escalated" column.

SL No.	Ref No.	Plant / Unit	Type	Category	Status	Appealed / Escalated	Date	Resolution	Action Button
1	STG10320251091	Bokaro Steel Plant	Materials	PO/WO	Appealed	YES	10-03-2025		Action Button
2	STG6320251089	Bokaro Steel Plant	Contracts	Others	In-Process	YES	06-03-2025		Action Button
3	STG26220251078	Bokaro Steel Plant	Contracts	Tender	Appealed	YES	26-02-2025		Action Button
4	STG26220251077	Bokaro Steel Plant	Contracts	Tender	Appealed	YES	26-02-2025		Action Button

### 6.0 Search & Filter:

This screenshot shows the same SAIL Grievance Portal Appellate Dashboard, but with search filters applied. The "From Date" is set to "01-03-2025" and the "To Date" is set to "01-04-2025". The "Search" button is highlighted. The table now only displays two rows of data, corresponding to the filtered period. The "Total Rows - 2" is shown at the bottom left of the table area. The "Page 1 of 1" indicator is at the bottom right of the table area.

SL No.	Ref No.	Plant / Unit	Type	Category	Status	Appealed / Escalated	Date	Resolution	Action Button
1	STG10320251091	Bokaro Steel Plant	Materials	PO/WO	Appealed	YES	10-03-2025		Action Button
2	STG6320251089	Bokaro Steel Plant	Contracts	Others	In-Process	YES	06-03-2025		Action Button

## 7.0 Security and Privacy

- **Login Credentials:** All users must use a secure username and password to access the portal.
- **Data Protection:** All information submitted through the portal is protected under SAIL's data privacy policy.
- **Audit Logs:** All actions on the portal are logged for security and accountability.

## 8.0 FAQs

- **How can I reset my password?**

To reset your password, you can contact Customer Care for further assistance. They will guide you through the reset process and help resolve any login-related concerns.

- **What happens if my grievance is not resolved within the specified time?**

For grievances not resolved within the set time frame a mail will be sent to the nodal officers & appellate authorities notifying them of the unresolved grievance.
