(Suppliers and Contractors) registered with SAIL Plants/ units are required to get their MSME status updated by furnishing relevant documents to the vendor development/ registration department of all plants/ units, at the earliest, preferably before 30.06.2020. This shall help in implementing the special drive for updation of MSME data in our system

As per Government directives, SAIL envisages to enhance procurement from MSME vendors including MSME SC/ST entrepreneurs and Women entrepreneurs. In order to create a pool of MSME vendors for procurement requirement of goods & services of SAIL Plants / Units, interested vendors are requested to fill up the MSME Vendor enlistment form, hosted on the website. This information is solely for the purpose of exploring the possibility of enhancing MSME Vendor base, wherever required and should not be considered as a purchase enquiry/registration. Such enlisted vendors will be contacted for registration and Vendor Development Programs conducted by SAIL Plants/Units from time to time. The normal registration process shall, thereafter be followed by the Plants/Units for registering the eligible suppliers as per extant guidelines. Purchase enquiry in future may be issued to such suppliers, if registered.

In line with the Atmanirbhar initiative of Government of India and to give thrust to 'Make in India' program of GOI, SAIL intends to explore the possibility of development of indigenous vendors for items procured through Global Tenders at SAIL Plants/Units. List of such items (Shop wise and Plant/Unit wise) is hosted on the website. Interested indigenous vendors are requested to go through the lists and provide their details along with items they intend to supply to SAIL Plants/Units in the Indigenisation Enlistment form, hosted on the website to the concerned SAIL Plant/Unit. This information is solely for the purpose of exploring the possibility of enhancing Indigenous Vendor base, wherever required and should not be considered as a purchase inquiry. For any further queries about these items, suppliers are requested to contact respective SAIL Plants/Units.
